FAITH BAILEY (JOHNSON) YATES PHOTO ALBUM

This file contains images from a photo album which belonged to Faith Bailey (Johnson) Yates (of Tupper Lake and Orchard Park, New York).

These 277 prints, mostly family photos, were digitally scanned. The text written on the photos was transcribed and I added what information I could. The images are roughly in the order they were in the album. Dates have been added when known.

Note that in addition to this PDF file, this Archives.org item also includes corresponding TIF and JPG files for each image which can be downloaded separately. Scroll down and click on "Show all." File FBY-Album-001.tif or FBY-Album001.jpg, for example, will be found for the corresponding image.
